Wow! What a lot of black bags – the picture below is what was left after the first two loads had been taken. Thank you so much on behalf of the Police Aid Convoy.

## Our Millennium Garden

I have had some offers of help. Please let me know if a Tuesday or Wednesday early evening would be a good time for anyone on one evening before the May half term. This has been suggested by a parent volunteer. If we had lots of help we could even look at the conservation area.

Our aim is to make the areas manageable and for the children to be able to grow plants. If we can open up the conservation area there are great opportunities for supervised science work too.
