## The news and happenings at Lowdham CofE Primary School.

Friday 17th January 2025

Issue: 8.5

Dear Parents and Carers,

Happy New Year and welcome back to the Spring term at Lowdham School. I hope you all enjoyed a restful and joyful Christmas break with your loved ones. Already, it's been a busy two weeks and despite the cold weather, the children have returned refreshed and ready to learn after their break. It has been great to see the hard work that has been happening across the school.

As we step into the new year, I want to extend my warmest wishes for 2025. This term promises to be filled with exciting learning opportunities and memorable experiences for our children. If you've not yet seen them, each class teacher has shared their curriculum newsletter for this half-term via Class Dojo. Please take a look to find key information about your child's learning and how you can best support them at home.

Thank you for your continued support and partnership. Let's make this term a wonderful one, filled with enthusiasm, learning and achievements.

Wishing you all a happy and prosperous New Year.

Mr. Jones

Meet Lucy Lloyd from the Mental Health Support Team (MHST).

Lucy is our allocated link worker here at Lowdham. This academic year she will continue to run whole class workshops in well-being, body image, sleep hygiene and resilience with our Year 5 and 6 pupils.

Lucy is also available to work with identified pupil groups and support our school in promoting positive mental health and well-being for all.

This half term's 'Heart Smart High Five' is "Too Much Selfie isn't Healthy!" We have been thinking about and recognising the importance of other people in our lives and how to love others well. Speak to your children about the work they have been completing in class.

**Heart Smart Key Q: Do I recognise the importance of other people in my life and how to love them well?**
