Dear Parents and Carers,

Welcome back for the Summer Term!

I hope you have all had a wonderful Easter break and a very warm welcome back from myself and the whole staff team. It has been a real pleasure to welcome our children this week for the start of a new term and I hope that they have had a lovely first week at school.

Your child's class teacher will have also shared their curriculum newsletter on ClassDojo so have a read of it; that will show you what your child is learning and give you valuable insight into how you can help support your children at home.

Our fantastic Year 6 children continue to prepare for their upcoming SATS week taking place the week beginning Monday 12th May. They are all working very hard and are on track to do very well. Despite a very short five week half term we have lots of exciting learning experiences ahead of us. The week following SATS week we will again be running a whole school Well-being week. Back by popular demand, we have lots of exciting things planned for the week including many activities focused around healthy body, mind and spirit. More information about the Well-being week will be shared via ClassDojo in due course.

I look forward to catching up with you all as the term progresses and I wish you all a lovely weekend.

Art and Craft Club with Kerry O'Brien

This term the Art Club theme is 'Extraordinary Art' and children will be drawing, painting and creating unique art-work. If your child is interested in joining Art Club, after school every Thursday, then please see the letter from Kerry attached with this newsletter.

Thursday 8th May marks the 80th anniversary of Victory in Europe Day. To celebrate this historic event we will be inviting children to come to school in non-uniform wearing items of red, white and blue. We will also be holding a special VE Day picnic lunch. More information on the menu will follow on Class Dojo next week.

Do you fancy joining our club with Forest School Jess for an hour of fresh-air fun exploring nature, enjoying seasonal games & crafts?

This half term's 'Heart Smart High Five' is "Fake is a Mistake!" We have been thinking about how each of us are unique in our own way. Being ourselves is enough just the way we are and we don't need to be like everyone else to fit in. Recognising our uniqueness helps us to realise that the world doesn't need another copycat version of someone else, it needs one of us.

Heart Smart Key Q: EQ: Do I know how to bravely communicate the truth and be proud of who I am?

We'd love to hear your thoughts on our school—you can drop them on this Padlet. Click the link and then tap the red cross to make your comment. [Newsletter \(padlet.com\)](#)
